SELECTMEN'S REPORT

In lieu of the normal Selectmen's report this year, we wish to devote this portion of the annual report in memory of a citizen who loved his country and community and devoted much of his life in the service of both.

Galen (Skinny) Clement was born in Levant on October 4, 1932. He received his elementary education in Levant and later attended Brewer High School. In 1949 he entered the United States Navy at the age of seventeen, and for part of his Naval tour he was stationed aboard the aircraft carrier U.S.S. Bennington. This assignment placed Galen in such places as Norfolk, Virginia, Guantanamo Bay (GTMO) Cuba, etc.

Upon returning to Levant from the Navy, Galen drove for Hannaford Brothers for several years. His desire to remain in the Levant area was strong enough that he refused to transfer to the Portland area when Hannaford Brothers relocated to that area.

Galen's favorite hobbies and sports were horses, fishing and hunting in that order. Perhaps one of the greatest thrills in his life while fishing was the day that a 28 inch pickerel was taken from Stetson Pond while he and Jim Patterson were fishing in the early 1960's.

His contributions to his community were many. He served as Selectman in the Town of Levant for ten years, during the time span 1969-1984. He was also, for a time, active in the Levant Fire & Rescue Squad. He served as Civil Defense Director in 1963 and 1964, Building Inspector in 1978 and Road Commissioner in 1980, 1983 and 1984.

Galen's latest employment was with School Administration District #23 as Transportation Supervisor, starting in 1968.

Galen was well respected by his associates. His wit, his sense of humor and his congenial manner will be greatly missed.

FIRE DEPARTMENT REPORT

Levant Fire Department received 57 requests for emergency fire response during 1984, about average for recent years. A significant increase was seen in mutual aid calls — the result of an unusual number of serious fires in four neighboring towns.

1984 FIRE APPARATUS CALLS

Chimney fires	13
Auto accident (danger of fire)	3
Levant structure fires	4
Mutual aid given (out of town assists)	15
Outside fires (grass, woods, brush, etc.)	10
Vehicle fires	3
Malicious false alarms	0
Recalls	1
Report of smoke in structure	5
Overheated stove	1
Standby at station (for mutual aid)	2

The four Levant structure fires were:

The Anderson residence on the Dill Road, destroyed during a daytime fire on January 24. The Helen Overlock residence on the Horseback Road, minor damage from a basement fire on January 26. The Colin Shields garage on Robichaud Road, destroyed on February 17. The Mike Tuller residence on Union Street, minor damage when a grass fire extended to a structure on April 27.

The Horseback Road fire is especially meaningful for two lessons: first, it shows what can be done, even for serious fires, when smoke detectors are working and awaken the residents to escape and call the fire department (have you tested yours yet this week?); secondly, it reinforced the value of our new "Rural Hitch" innovation in establishing a dependable positive water supply. This system, fashioned from large diameter hose and a check-valved siamese connection, has now contributed to good "stops" for a half dozen local building fires. An article in December's Fire Engineering magazine, featuring our work with this method, resulted in contacts from five officials as far away as Ohio and Ontario.

Tanker 444 was completed during 1984, on time and within budget,

thanks to hundreds of hours of donated efforts. This unit carries 2,500 gallons of water in a stainless steel tank on a 1972 reworked chassis. It is designed to serve only as our "water district," in conjunction with tankers from Hermon, Glenburn, Kenduskeag, and Carmel, available by mutual aid contract.

"New" Engine 441 was placed in service during December — a 1972 Mack 1,000 gpm pumper, retired from duty in New York City. The tank was replaced with a 750 gallon size for rural service. Considerable pump and motor work was done until the unit satisfied our performance testing. The fully-enclosed cab allows us to have a crew in full turnout gear and air packs upon arrival, saving vital time at a structure fire. The diesel engine should ensure many years of service, and is notably more efficient in terms of both fuel economy and hill climbing ability.

Four more suction hydrants were installed during 1984: one at the trailer park in West Levant, one at the corner of Irish Road and Horseback Road, one at Kenduskeag Road opposite Phillips Road and one at Paul Griffin's Pond on Griffin Road. These afford us a total of seven points in Levant where we can get water for fires instantly without delays of searching for adequate depth or having to cut through ice in winter. We hope to install two more during 1985, should the voters agree at town meeting.

One thousand sixty-five hours of training were conducted during the year. Highlights of the training included:

- (1) Driving and Rural Hitch training on the new tanker
- (2) Training on use of the new suction hydrants
- (3) Breathing apparatus refresher
- (4) Training on Basic Fireground Command Procedures (using a fire simulator)
- (5) Driving and pump training on the new engine

Special thanks go to Captain Steve Goodwin for his continuous efforts to keep us trained and our quarters presentable to you our supporters (who are always welcome to visit).

At the request of Administrator Paul Griffin, we prepared a detailed inventory of equipment; an impressive list which contains the results of efforts by many members, past and present, the former ladies auxiliary, and we the taxpayers, over a period of 26 years.

The Levant Fire and Rescue Services celebrated (belatedly) a 25th anniversary at the school cafeteria in October. Over 100 people gathered to say thanks to folks like Alden (Sonny) Keith and Leon Goss for their early efforts at establishing our service and for years of continued quiet giving.

Once again we extend our thanks to all those whose support is so crucial to our existence: members of the fire department and rescue squad, those who consistently support our fundraising efforts and all the "concerned citizens of Levant."

Respectfully submitted,
RAY F. BEMIS, JR.
Fire Chief

RESCUE SQUAD REPORT

The Levant Volunteer Rescue Squad needs help to serve you better. We need a special kind of people who are willing to serve the community's needs. Our hours are unpredictable and there is no pay. If you are interested in doing this type of volunteer work, or wish first aid or CPR training call Milton Knowles 884-7443, or Sharron Doughty 884-7798.

Currently we have four Advanced Emergency Medical Technicians and four Basic Emergency Medical Technicians. Two of our members are Advanced First Aid and CPR instructors. The rest of our squad consists of three Licensed Ambulance Attendants and several others that help wherever they are needed. Some are drivers, go-fors or just being available for lifting or T.L.C. The main requirement in belonging to the Levant Volunteer Rescue Squad is to care.

In 1984 we responded to 110 emergency calls. These included fire calls, traffic accidents and illnesses.

In keeping with our policy of sponsoring Free Blood Pressure Clinics, one will be held at the fire station March 30, 1985 from 8 to 4. We plan to schedule another clinic in the fall. Please feel free to take advantage of this service.

On behalf of the Levant Volunteer Rescue Squad, we would like to express our deepest condolences to the family of Galen Clement and thank them for the generosity. We would also like to thank the taxpayers of Levant for their continued support.

Respectfully submitted,
MILTON KNOWLES
Chief

PLANNING BOARD REPORT

An active, busy year, the Levant Planning Board met on 14 occasions throughout the year. The following highlight achievements:

— Review work on the Land Use ordinance was completed. Public hearings were held on March 8 and March 22. Copies of the ordinance draft were made available inside copies of the annual town report and delivered to each Levant household.

The ordinance was adopted at the annual town meeting held on March 24.

Copies of the ordinance are available at the Town Clerk's Office.

—An "Application for Building and/or Use Permit" form was developed and copies are available at the Town Clerk's Office and from the Code Enforcement Officer.

— Copies of the current BOCA Basic Code and BOCA One- and Two-Family Dwelling Code have been obtained for reference by Board members and residents.

— Two Site Plan Review applications were received, processed, and approved (one with conditions).

—No subdivision applications were considered.

—Planning Board bylaws were formulated, providing structure for Board membership, duties, and conduct of regular public meetings.

Regular meeting schedule: Third Sunday evening of every month, 7:30 p.m., Fire Station.

ELWOOD MASON
Chairman

AUDITOR'S REPORT

February 25, 1985

Board of Selectmen
Town of Levant
Levant, Maine 04456

We have examined the combined financial statements of the Town of Levant, Maine and the combining, individual fund, and account group financial statements of the town as of and for the year ended December 31, 1984, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the combined financial statements and individual fund statements referred to above present fairly the financial position of the Town of Levant, Maine, at December 31, 1984, and the results of its operations of such fund types for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the individual fund statements. The accompanying financial information listed as supporting schedules in that table of contents is presented for the purpose of legal compliance and is not a required part of the combined financial statements of the Town of Levant, Maine. The information has been subjected to the auditing procedures applied in the examination of the combined and individual fund statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

Respectfully submitted,
C. H. DORR & CO., P.A.

Selectmen, Town of Levant

ASSESSORS' NOTICE

The Assessors of the Town of Levant hereby give notice to all persons liable to taxation in said Town that they will be in session at the Levant Fire Station in said Town, on April 6, 1985, at twelve o'clock noon until 2:00 P.M. for the purpose of receiving lists of estates taxable in said Town.

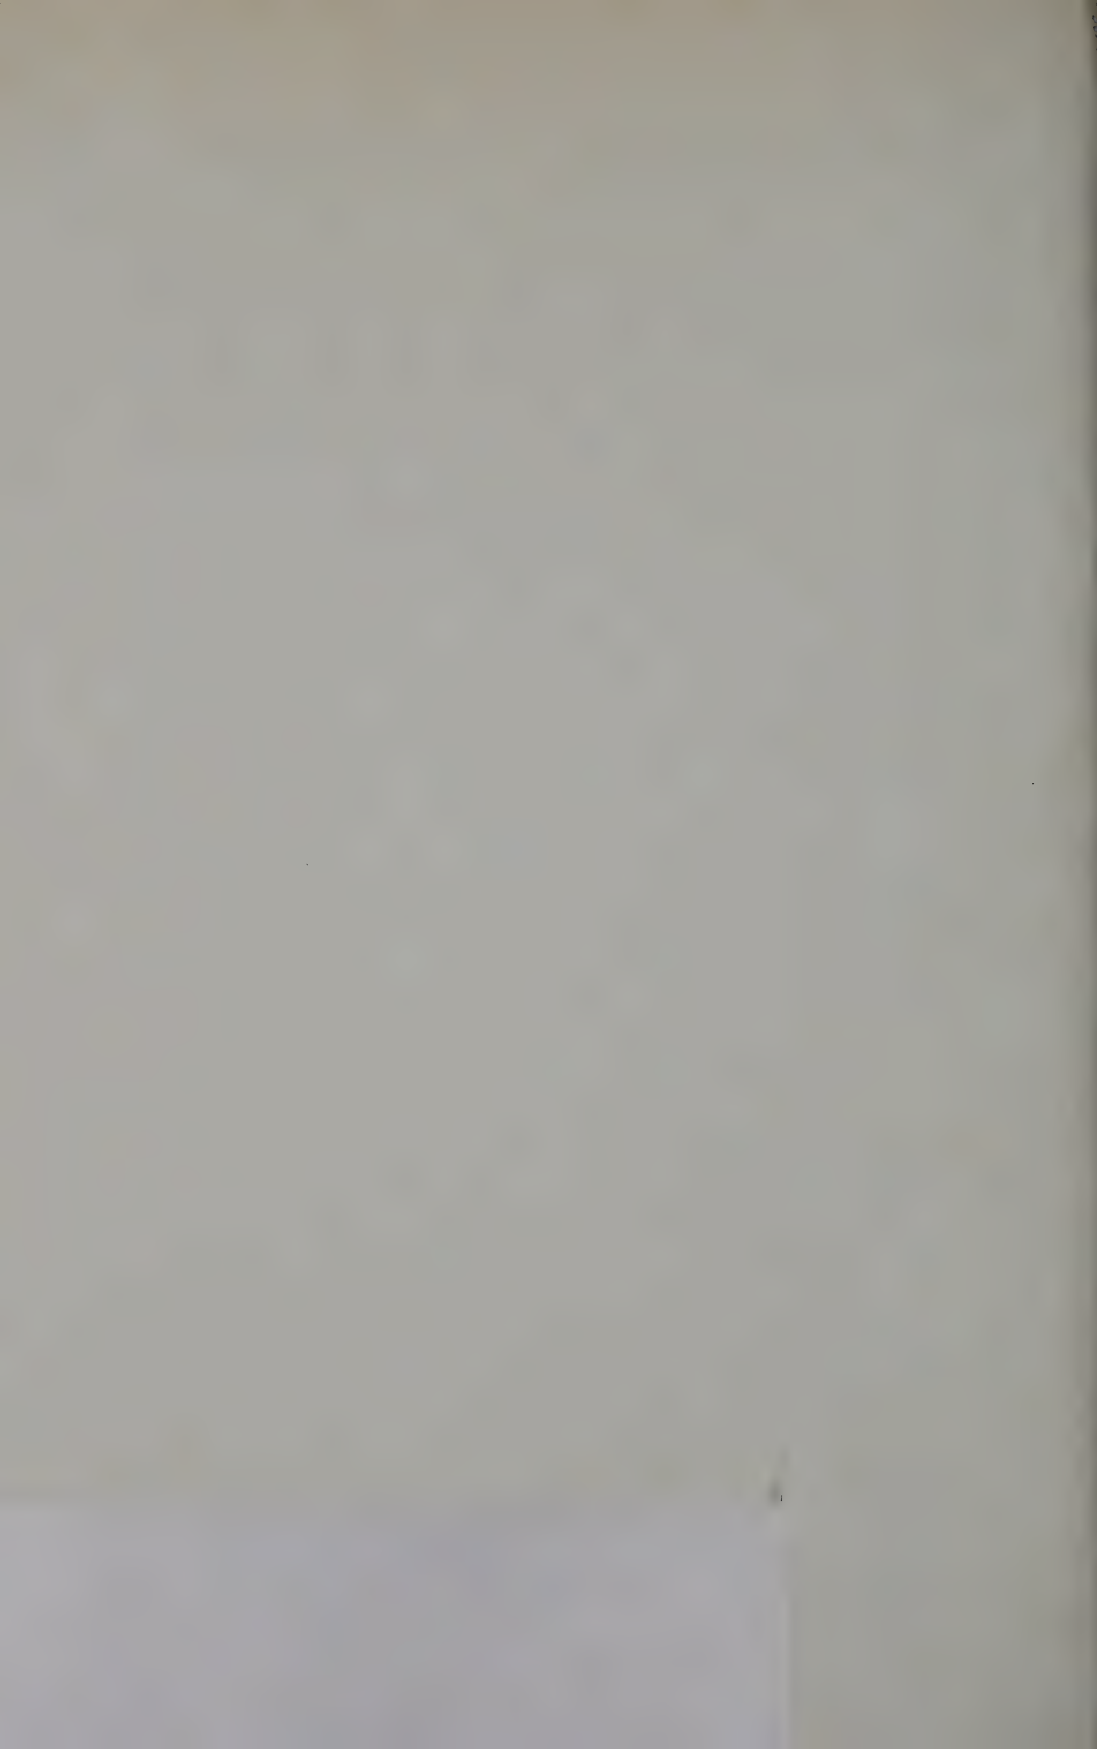

All such persons are hereby notified to make and bring to said Assessors true and perfect lists of their estates, real and personal, not by law exempt, from taxation, which they were possessed of or which they held as guardian, executor, administrator, trustee or otherwise, on the 1st day of April 1985 and be prepared to make oath to the truth of the same.

When estates of persons deceased have been divided during the past year, or have changed hands from any cause, the executor, administrator, or other persons interested, are hereby warned to give notice of such change, and in default of such notice will hold under the law to pay tax assessed although such estate has been wholly distributed and paid over.

Any person who neglects to comply with this notice will be DOOMED to a tax according to the laws of the State and be barred of the right to make application to the Assessors or County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.
